

THINKCENTRE M83z

PRIMED FOR PRODUCTIVITY

POWERFUL, PREMIUM ALL-IN-ONE DESKTOP

This powerful, premium All-In-One desktop is primed to enhance productivity, especially in large enterprises and public sector organizations with stringent guidelines for security and reliability. The bright 21.5" display with compact footprint and stylish, flexible design make it perfect for any venue from the reception desk to even the tightest workspaces.

WHY BUY A
THINKCENTRE
M83z?

1 POWERED FOR
PRODUCTIVITY

4th generation Intel desktop CPUs and H81 chipset power this high-performance AIO desktop, with SSHD for enhanced system performance.

2 OPTIMIZED FOR
COLLABORATION

Powerful collaboration-enabling features include a bright 21.5" LED display, seamless Think VoIP experience, 720p HD camera, and digital microphone.

3 VERSATILE
SPACE-SAVER

The compact footprint is enhanced with a VESA mount and multiple stand configurations, along with support for a second display.

4 ROBUST SECURITY
FEATURES

Enhanced security features include physical camera lock, TPM for enhanced data protection, USB port disabling and optional intrusion lock.

WHO NEEDS
A THINKCENTRE
M83z?

1 Large enterprises with stringent guidelines for security, reliability and manageability.

2 Organizations that need affordable desktops that are versatile enough to fit even the most compact workspaces.

3 Public sector organizations that require versatile, affordable desktop computers with robust security features.

Lenovo® recommends Windows 8 Pro.

LENOVO SERVICES

Lenovo offers a comprehensive portfolio of services to support and protect your ThinkCentre investment. Focus on your customers and business, not your IT.

PRIORITY TECHNICAL SUPPORT *

Makes your priority, our priority. 24x7 priority call routing to advanced-level technicians, electronic incident tracking, and rapid response and resolution.

WARRANTY UPGRADES - ONSITE AND NEXT BUSINESS DAY

Maximizes PC uptime and productivity by providing convenient, fast repair service the next business day.

WARRANTY UPGRADES - ONSITE NEXT BUSINESS DAY + TECHNICIAN

* Not available in all regions

INSTALLATION OF CUSTOMER REPLACEABLE UNIT PARTS

Maximizes PC uptime and productivity by providing convenient, fast repair service at your place. Frees your IT staff from installing all internal parts so that they have more time to deal with mission critical business.

KEEP YOUR DRIVE

Retain your drive if it should happen to fail, giving you the peace of mind to know that your valuable data is secure. KYD applies to all drives within multi hard disk/SSD systems.

WHY THINKCENTRE®

1

Lowest failure rates in the industry* - High-quality materials, exceptional engineering and 2000+ quality tests keep your data safe

2

2

Power-packed to let you do more - Feature-rich offerings for enhanced performance, collaboration, security and manageability

3

3

Car-hood serviceability - Tool-less entry shortens repair time and end user downtime

4

4

Save money and the environment - Use the highest % of recycled materials and save up to 70% on power bills

5

5

Innovation in many forms - From the smallest commercial desktop (Tiny), cool and quiet towers and ultra-small desktops to stylish touch-enabled all-in-ones, there's a ThinkCentre for every need
