The well-connected business person likes to travel light and the ThinkPad® T450s lets you do just that. This ultra-slim and light, but very durable ultrabook connects seamlessly to virtually any devices. The brilliant 14" FHD screen displays amazing images for up to 19 hours with the innovative Power Bridge technology.

PRODUCT SUMMARY

KEY FEATURES

**1** Amazingly thin and light – just 1.52 kg and 21 mm slim – but with tough, durable carbon fibre construction. The T450s passes Mil-spec testing durability and ruggedness.

**2** With up to 19 hours of power, you have go-all-day power. And the slim battery profile ensures this Ultrabook is truly portable.

**3** View any content in bright FHD IPS<sup>1</sup> with terrific viewing angles. A full range of ports provides ultimate connectivity.

**4** The latest Intel® 5th Generation Core™ processors drive this ultrabook's high level of performance.
